Andrew Schuster

Partner, Brigham Moore

Since 1981, Schuster has been a partner in Brigham Moore's Miami office. Prior to that, he was a staff attorney for the Florida Department of Transportation, representing the state's major road building agency in condemnation cases statewide. More recently, he has represented property owners in condemnation cases.

He is active in several bar associations, including terms as the editor of the Tallahassee Bar Association's newsletter and vice chairman of the Florida Bar's Eminent Domain Committee.

Schuster recently completed a two-year term as a director of WPBT Channel 2 and has served as an elected commission of the Plantation Acres Improvement District.

He counts his parents as his role models: his mother has always emphasized education, the importance of knowledge and being prepared; his father has always demonstrated profound concern for the ordinary man and the need to protect everyone's rights and liberty.
